I believe that the Yankees are the best team in baseball and the favorite to win the World Series in 2024. They have a deep lineup, a strong rotation, and a solid bullpen. The Dodgers are also a contender, but I think the Yankees are the better team.

Here are my predictions for the 2024 MLB season:

- **World Series Champion:** New York Yankees
- **American League Champion:** New York Yankees
- **National League Champion:** Los Angeles Dodgers
- **American League MVP:** Aaron Judge, New York Yankees
- **National League MVP:** Ronald Acuña Jr., Atlanta Braves

- **American League Cy Young Award:** Gerrit Cole, New York Yankees
- **National League Cy Young Award:** Sandy Alcantara, Miami Marlins

Here are some of the key storylines to watch during the 2024 MLB season:

- **The Return of Shohei Ohtani:** Ohtani is one of the most exciting players in baseball, and he is expected to be back to his old self in 2024 after missing most of the 2023 season with an injury. He will be a key part of the Angels' offense and rotation.
- **The Rise of the Guardians:** The Guardians surprised everyone in 2023 by winning the AL Central. They are a young team with a lot of potential, and they could be a contender in 2024.
- **The New-Look Red Sox:** The Red Sox made a number of big moves in the offseason, including signing Trevor Bauer and Masataka Yoshida. They are hoping to contend for a World Series title in 2024.
- **The Future of the Athletics:** The Athletics are in a rebuilding mode, and they could trade some of their best players before the deadline. It will be interesting to see what the future holds for this team.

The 2024 MLB season is shaping up to be one of the most exciting in recent memory. With a number of new faces and storylines to follow, there are plenty of opportunities for sports bettors to make a profit. I hope this guide has given you the information you need to make informed bets on the upcoming season. Good luck!
