In addition to materials, European influence extended to the realm of design. Cowichan artisans were exposed to a wide range of European textiles and garments, which inspired them to incorporate new motifs and patterns into their own work. The result was a vibrant fusion of traditional Cowichan designs with elements of Victorian and Edwardian fashion.

The influence of foreign cultures was not limited to European settlers. Cowichan woolworking also absorbed elements from other Indigenous cultures, particularly those of the Northwest Coast. The bold colors and geometric patterns of Northwest Coast art resonated with Cowichan artisans, who incorporated them into their own designs. This cross-cultural exchange resulted in a rich and diverse artistic tapestry that celebrated the unique identities of both cultures.
