

Beyond the Horizon: A Poetic Masterpiece That Will Touch the Core of Your Being

Beyond The Horizon

Gods minor or major
are not as powerful as they had been,
with the vestiges of deafness and dumbness
they only rule the glory of myth
The Souls of Greek and king pharaohs those lived mighty
now wandering in silence
in quiet submission,
Man with soul has touched the Soul eternal
The omnipotent
with no Tarot cards in hand
With no Black magic
but with thoughts multitudes
Soul sails to oneness.
