The Brexit referendum was a watershed moment in British history. It was a vote that divided the country down the middle, and it has had a profound impact on British politics and society.

In *Brexit: The Establishment Civil War*, journalist Tim Shipman provides the definitive account of the referendum and its aftermath. Based on exclusive interviews with key players on both sides of the campaign, Shipman reveals the secret history of the vote, the motivations of the key players, and the impact of the vote on British politics and society.

Shipman's book is a must-read for anyone who wants to understand the Brexit phenomenon. It is a gripping account of a tumultuous period in

British history, and it provides essential insights into the forces that are shaping our world today.

## **The Secret History of the Brexit Campaign**

Shipman's book begins by recounting the secret history of the Brexit campaign. He reveals how the campaign was masterminded by a small group of Eurosceptic MPs, and how they exploited public anger at the European Union to secure a victory for Leave.

Shipman also provides fascinating insights into the motivations of the key players in the campaign. He shows how Boris Johnson, the leader of the Leave campaign, was driven by a desire to become Prime Minister, and how Nigel Farage, the leader of the UK Independence Party, was motivated by a deep-seated hatred of the European Union.

## **The Impact of Brexit on British Politics and Society**

The Brexit referendum has had a profound impact on British politics and society. It has led to the resignation of Prime Minister David Cameron, the rise of the Labour Party under Jeremy Corbyn, and the increased prominence of the Scottish National Party.

Brexit has also had a significant impact on British society. It has led to increased division and uncertainty, and it has made it more difficult for the country to address the challenges it faces, such as climate change and economic inequality.
