The Wolves Within

A grandfather is talking with his grandson and he says
there are two wolves inside of us
which are always at war with each other.

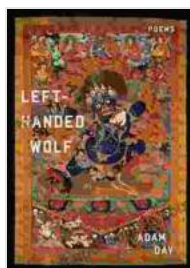

One of them is a good wolf which
represents things like kindness, bravery and love.

The other is a bad wolf, which
represents things like greed, hatred and fear.

The grandson stops and thinks about it for a second
then he looks up at his
grandfather and says,

"Grandfather,
which one wins?"

The one you feed
the grandfather
quietly replies.
