When the body of a young woman is found in a jewelry store, Harriet Gordon, a keen-eyed, amateur sleuth, decides to investigate.

Harriet is a middle-aged widow with a sharp mind and a passion for justice. She has a knack for noticing details that others overlook, and she's not afraid to follow her instincts.

The police are quick to dismiss the case as a robbery gone wrong, but Harriet isn't convinced. She believes that there's more to the story, and she's determined to find out the truth.

Harriet's investigation takes her into the world of high-end jewelry and the people who collect it. She meets a cast of characters, including a wealthy socialite, a shady jeweler, and a mysterious woman who seems to know more than she's letting on.

As Harriet digs deeper, she uncovers a web of lies and secrets. She learns that the young woman who was killed was involved in a dangerous affair, and that her death may not have been an accident.

With the help of her friends and her own wits, Harriet races against time to find the killer and bring them to justice.
