The latest book in Emily Rodda's popular Fairy Guide series, *Away from Whipplethorn*, is a delightful and heartwarming adventure that will appeal to readers of all ages.

The story follows Clover, a young fairy who has always dreamed of leaving her home in the forest of Whipplethorn and exploring the wider world. When she is finally given the opportunity to do so, she is thrilled. But Clover soon discovers that the world outside of Whipplethorn is not as idyllic as she had imagined. She is faced with danger and prejudice at every turn, and she must learn to rely on her own strength and courage to survive.

Clover is a relatable and sympathetic character, and readers will root for her as she faces the challenges of her new life. Rodda does a great job of

creating a believable and immersive world, and the story is full of vivid descriptions and exciting action sequences.

*Away from Whipplethorn* is a coming-of-age story about the importance of finding your own place in the world. It is a story about friendship, courage, and the power of dreams. I highly recommend it to readers of all ages.

## **About the Author**

Emily Rodda is an Australian author of children's and young adult fantasy novels. She is best known for her Fairy Guide series, which has sold over 1 million copies worldwide. Rodda has also written the Rowan of Rin series, the Deltora Quest series, and the Raven's Gate series.
