This book includes 12 quilt patterns, each with easy-to-follow instructions and helpful diagrams. Whether you're a beginner quilter or a seasoned pro, you'll love the quilts you can make with Sweet And Simple Quilts From Layer Cake Squares.

What's a Layer Cake Square?

Layer cake squares are pre-cut fabric squares that are typically 10 inches by 10 inches. They are available in a variety of colors and patterns, making

them a great option for quilters of all levels.

One of the best things about layer cake squares is that they are so easy to work with. They are already cut to size, so you don't have to worry about measuring and cutting fabric. This makes them a great option for beginners who are just learning how to quilt.

What's Included in the Book?

Sweet And Simple Quilts From Layer Cake Squares includes 12 quilt patterns, each with easy-to-follow instructions and helpful diagrams. The patterns are divided into three difficulty levels: beginner, intermediate, and advanced.

The beginner patterns are perfect for quilters who are just getting started. These patterns use simple techniques and are easy to complete.

The intermediate patterns are a bit more challenging than the beginner patterns, but they are still suitable for quilters of all levels. These patterns use more advanced techniques and may require some additional fabric.

The advanced patterns are the most challenging patterns in the book. These patterns use complex techniques and may require specialized fabric. However, the results are worth the effort!

Who is This Book For?

Sweet And Simple Quilts From Layer Cake Squares is the perfect book for quilters of all levels. Whether you're a beginner who is just learning how to quilt or a seasoned pro who is looking for new and exciting patterns, you'll love this book.

If you're looking for a book that will help you make beautiful quilts quickly and easily, then Sweet And Simple Quilts From Layer Cake Squares is the book for you!
