

The Impeachment of Donald Trump: A Shocking Account of the Political Storm that Engulfed the Presidency

In December 2019, the United States House of Representatives impeached President Donald Trump for abuse of power and obstruction of Congress. The charges stemmed from Trump's alleged efforts to pressure Ukraine to investigate his political rivals. The impeachment process was highly partisan, with Democrats largely supporting impeachment and Republicans largely opposing it. In February 2020, the Senate acquitted Trump on both charges.
