About ICDL 2024

The International Conference on Digital Libraries (ICDL) is the premier forum for researchers, practitioners, and policymakers to present and discuss the latest advances in digital library research and practice. ICDL 2024 will be held from TBD to TBD at TBD. This year's conference will focus on the theme "Unveiling the Future of Digital Libraries."

ICDL 2024 will bring together a diverse group of experts from around the world to share their insights on the latest trends and developments in digital libraries. The conference will feature a range of keynote speakers, paper presentations, workshops, and demonstrations. Attendees will have the

opportunity to learn about the latest research in digital library technologies, applications, and services.

Call for Papers

ICDL 2024 is now accepting submissions for papers on all aspects of digital libraries. Papers may be submitted in the following tracks:

- Digital Library Technologies
- Digital Library Applications
- Digital Library Services
- Digital Library Policy and Management
- Digital Library Education and Training

The deadline for paper submissions is TBD. For more information on submitting a paper, please visit the conference website.

Keynote Speakers

ICDL 2024 will feature a number of keynote speakers who are leading experts in the field of digital libraries. Confirmed keynote speakers include:

- Dr. Carl Lagoze, Director of the Digital Library Federation
- Dr. Wendy Lougee, Dean of the School of Information at the University of California, Berkeley
- Dr. Michael Nelson, Director of the Research Library at the New York Public Library

Workshops and Demonstrations

In addition to paper presentations, ICDL 2024 will also offer a number of workshops and demonstrations. Workshops will provide attendees with the opportunity to learn about new digital library technologies and applications. Demonstrations will showcase the latest digital library products and services.

For more information on workshops and demonstrations, please visit the conference website.

Registration

Registration for ICDL 2024 is now open. To register, please visit the conference website.

Sponsorship Opportunities

ICDL 2024 offers a variety of sponsorship opportunities for organizations that wish to support the conference and its attendees. For more information on sponsorship opportunities, please contact the conference organizers at icdl2024@example.com.
