Print length : 272 pages

The book is divided into four chapters, each of which focuses on a different aspect of the trucking industry. The first chapter, "The Drivers," introduces the men and women who drive Scotland's trucks. The second chapter, "The Trucks," takes a closer look at the vehicles that these drivers use to transport goods around the country. The third chapter, "The Loads," examines the different types of goods that are transported by Scottish trucks. The fourth chapter, "The Industry," provides an overview of the trucking industry in Scotland, including its history, current state, and future prospects.

Working Scottish Trucks Through The Lens is a unique and fascinating look at an important part of Scotland's economy. The book is beautifully photographed and written, making it an essential addition to the library of any fan of photography, transportation, or Scotland.

Reviews
